1. Introduction

2. General procedures
 - 2.1. Data will be stored securely. When it is stored electronically, it will be kept in password protected files. When it is stored online on a third-party server (e.g. Google Drive and Dropbox) we will ensure the third party complies with the GDPR. When it is stored on paper it will be filed carefully in a locked filing cabinet.
 - 2.2. When we no longer need data, or when someone has asked for their data to be deleted, it will be deleted securely. We will ensure that data is permanently deleted from computers and third-party servers, and that paper data is shredded.
 - 2.3. We will keep records of consent given for us to collect, use and store data. These records will be stored securely.
3. Mailing list
 - 3.1.1. We will maintain a mailing list. This will include the names and contact details of people who wish to receive activity, campaigning and volunteering information from Wild Portishead Ltd.
 - 3.1.2. When people sign up to the list we will explain how their details will be used, how they will be stored, and that they may ask to be removed from the list at any time. We will ask them to give separate consent to receive activity, campaigning and volunteering messages, and will only send them messages which they have expressly consented to receive.
 - 3.1.3. We will not use the mailing list in any way that the individuals on it have not explicitly consented to.
